

## Attention students,

The Department of Higher Education and Training (DHET) has prepared a survey to measure your satisfaction about the activities and services of our Technical and Vocational Education and Training (TVET) colleges. Your answers to the questions will allow the Department to identify challenges that need to be addressed in order to improve your experience on campus. Your answers will be evaluated anonymously, and your personal information will be kept confidential. This survey will take you no longer than three minutes to complete. We appreciate your feedback.

This survey is available on the following link:
